# President's Report

Season 2016/17 saw the Centre to grow even more..

We had 308 registrations last year, our highest since 1997. We also had large numbers of athletes compete at the Zone and Region Championships which lead to our largest ever team at the State Championships of 46.

This has a lot to do with more athletes making use of our coaches, whether at club training or privately, and I would like to thank all our coaches for their time over the season.

We managed to compete on 16 weeks this year after another year of rain interruptions. I would like to thank all our officials who helped out across the year, starting, timekeeping, BBQ, walk judging etc we could not compete without your assistance.

We had 21 Centre records broken this season, including on the last day of Competition the U10G 200m record which stood since 1982, well done to all those athletes who ended the year with new records.

3758 PBs were set by our athletes this season, so well done to all our athletes. It is really satisfying to see all our athletes getting along and having a good time each Saturday and trying to improve their results regardless of ability.

A big thank you to all of our parents, this season I feel the parents have been the most cooperative and enjoyable group for a few years so well done and we look forward to you being here for many years to come.

The Centre again remains in a strong financial position thanks to the fantastic work done by Belinda and everyone involved with the Canteen and BBQ. They have been rewarded after we received a State Govt grant of \$15,000 to upgrade the canteen.

As usual I would like to thank the hard working Glenbrook committee, we are so lucky to have a full committee and it allows the club to function efficiently. I would especially like to thank Michelle Webb-Johnson who is taking a break next season after doing the results for the past 5 seasons.

It is this time we look to parents of our younger athletes to step onto the committee as General Committee members, to become the Registrars and Equipment officers in the future. Finally, 10 years ago I was honoured to be elected the first former athlete to the position of President. As I end my 8<sup>th</sup> and final year as President I would like to thank all Committee members that served on those Committees and all the families I've interacted with over those years, I wish the incoming President all the best for Season 2017/18.

# Registrar Report

During the 2016/17 season Glenbrook Little Athletics Club registered 308 athletes. This was an increase on the previous season and included new athletes in the more senior age groups and a steady flow of keen Tots. It has been an excellent season of competition and we look forward to seeing all athletes and families back next year.

## Western Ranges Zone Championships

The Zone Championships this year were hosted by the Springwood Club in December 2016. Glenbrook had 121 athletes compete over the two days in 421 events, with 98 athletes qualifying in 279 events for Regional in February, including 3 relay teams.

The first three place getters for the Under 7 athletes were awarded medals as this age group does not progress to Regional.

Congratulations to the following 8 athletes;

## Region 3 Championships

This was a weekend everyone will remember, mostly because of the heat wave! The team of 98 Glenbrook athletes, club officials and families were truly phenomenal over the 2 days, with major changes being implemented to the program and events, including the last minute addition of twilight competition. The weekend produced 46 State Representatives from the Glenbrook Club, our largest team ever! Congratulations to all our athletes in representing our club over the weekend and well done to those who progress through to State in March.

**Congratulations to the following athletes who received medals for finishing in the top 3 places, 105 medals won in total!**
